The image displays five guitar fretboard diagrams for the chords E Major, C# minor, A Major, and B Major. Each diagram is a 4-string fretboard with four frets. The notes are indicated by black dots, and the fingerings are indicated by numbers in circles.

- EMaj:** Notes are on strings 1, 2, 3, and 4 at frets 1, 2, 3, and 4 respectively. Fingering: 1 (string 1, fret 1), 2 (string 2, fret 2), 3 (string 3, fret 3), 4 (string 4, fret 4).
- EMaj:** Notes are on strings 1, 2, 3, and 4 at frets 1, 2, 3, and 4 respectively. Fingering: 1 (string 1, fret 1), 2 (string 2, fret 2), 3 (string 3, fret 3), 4 (string 4, fret 4).
- C#min:** Notes are on strings 1, 2, 3, and 4 at frets 1, 2, 3, and 4 respectively. Fingering: 1 (string 1, fret 1), 2 (string 2, fret 2), 3 (string 3, fret 3), 4 (string 4, fret 4).
- AMaj:** Notes are on strings 1, 2, 3, and 4 at frets 1, 2, 3, and 4 respectively. Fingering: 1 (string 1, fret 1), 2 (string 2, fret 2), 3 (string 3, fret 3), 4 (string 4, fret 4).
- BMaj:** Notes are on strings 1, 2, 3, and 4 at frets 1, 2, 3, and 4 respectively. Fingering: 1 (string 1, fret 1), 2 (string 2, fret 2), 3 (string 3, fret 3), 4 (string 4, fret 4).

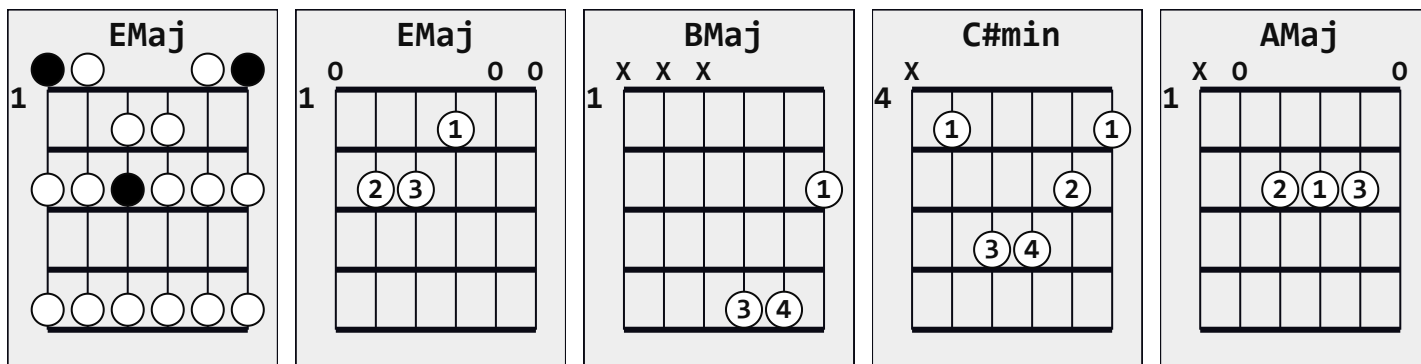

The image displays five guitar fretboard diagrams, each representing a different chord. The diagrams are arranged horizontally and labeled as follows:

- F<sup>Maj</sup>**: Shows the F major chord. The first fret has a black circle on the 1st string and a white circle on the 6th string. The second fret has white circles on the 2nd, 3rd, and 5th strings. The third fret has a black circle on the 4th string and a white circle on the 6th string. The fourth fret has a white circle on the 6th string. The fifth fret has a white circle on the 6th string. The sixth fret has a white circle on the 6th string.
- F<sup>Maj</sup>**: Shows the F major chord. The first fret has a white circle on the 1st string. The second fret has a white circle on the 6th string. The third fret has a white circle on the 6th string. The fourth fret has a white circle on the 6th string. The fifth fret has a white circle on the 6th string. The sixth fret has a white circle on the 6th string.
- D<sup>m</sup>**: Shows the D minor chord. The first fret has a white circle on the 1st string. The second fret has a white circle on the 6th string. The third fret has a white circle on the 6th string. The fourth fret has a white circle on the 6th string. The fifth fret has a white circle on the 6th string. The sixth fret has a white circle on the 6th string.
- A<sup>#</sup>ma<sup>j</sup>**: Shows the A# minor chord. The first fret has a white circle on the 1st string. The second fret has a white circle on the 6th string. The third fret has a white circle on the 6th string. The fourth fret has a white circle on the 6th string. The fifth fret has a white circle on the 6th string. The sixth fret has a white circle on the 6th string.
- C<sup>Maj</sup>**: Shows the C major chord. The first fret has a white circle on the 1st string. The second fret has a white circle on the 6th string. The third fret has a white circle on the 6th string. The fourth fret has a white circle on the 6th string. The fifth fret has a white circle on the 6th string. The sixth fret has a white circle on the 6th string.
